

Recipient: President of India and Chief Justice of India

Letter: Greetings,

Sir, we supporters of Dr Mitu Khurana request you to look into the case , so that her case sets up a good precedent and other women are able to come forward and fight for the lives of their daughters. the Judgement must be such which upholds the trust of people in the Judiciary. As it is said "Not only must Justice be done; it must also be seen to be done" but from details of Dr Mitu`s case it is apparent that Not only injustice has been done but also seen to be done". Now is the time when Judiciary has to show that it stands with the daughters and mothers of India and those indulging in heinous practice of sex selective abortions shall not be spared.
